

K-LOVE is a very important part of my community. Contemporary Christian is not an easy thing to hear and K-LOVE plays it 24-7. I sincerely hope you do not interfere with the listening to K-LOVE. It can only be a positive influence on the community and only a negative influence would thrive if it were taken off. I do not want my child listening to some of this other junk, that's for sure. Lives have been changed by the broadcast of KLOVE for the better and that is most definitely a matter of public interest.
